• ABOUT AIM

AIM is a quality-driven, reliable financial partner that humanises finance by simplifying financial complexity and enabling lasting success. Guided by our philosophy of “In Motion with Purpose”, we combine expert insight, ethical integrity, and modern technology to deliver Clarity, Confidence, and Continuity across every financial decision. Our Audit in Motion division is led by IRBA-registered professionals, delivering independent assurance through sector insight and technology-enabled efficiency.

• PROGRAMME OVERVIEW

We are inviting applications from motivated individuals to join our **SAICA training programme** for the 2027 intake. You will gain practical, hands-on experience across audit, accounting, and tax, working on a variety of client engagements under expert supervision.

• KEY RESPONSIBILITIES

- ▶ Assist with audit fieldwork, testing procedures, and compliance evaluations
- ▶ Prepare accurate audit working papers under professional supervision
- ▶ Perform bank, debtor, and general ledger reconciliations and basic financial analysis
- ▶ Assist with the preparation and compilation of client financial statements
- ▶ Support senior team members and Audit Leads during engagement execution
- ▶ Participate in training, CPD sessions, and technical development programmes

• WHAT WE OFFER

ACCREDITED TRAINING

Fully accredited SAICA training programme with structured competency milestones.

EXPERT MENTORSHIP

Guided mentorship from qualified CA(SA) professionals with hands-on development focus.

BROAD EXPOSURE

Comprehensive exposure to audit, accounting, tax, and advisory across diverse client portfolios.

CAREER PATHWAY

A clear progression path within a rapidly growing, forward-focused professional firm.

• MINIMUM REQUIREMENTS

- ▶ **Enrolled in or holding an accredited Accounting degree** aligned to the CA(SA) or Professional Accountant designation
- ▶ Strong, consistent academic track record
- ▶ Completed or completing final year of a B.Com Accounting or equivalent
- ▶ A natural aptitude for numbers and analytical thinking
- ▶ Good communication and interpersonal skills
- ▶ Highly motivated, reliable, and willing to learn
- ▶ No prior articles experience required — full training provided
